

Junior Management Consultants (m/w) Focus on Restructuring

MERITUS Business Advisors GmbH – Stuttgart

MERITUS is a top management consultancy specialized in corporate restructuring and profit improvement. We improve the profit situation of our clients – ranging from solid companies seeking higher rates of return, as far as restructuring cases facing serious liquidity problems. We work closely together with the management, shareholders and participating banks to set up thorough business models and fluent processes in order to improve crucial profit and loss positions as well as balance sheet items.

Field of Work

As a Junior Management Consultant, you are part of a highly motivated project team and are able to work together with experienced colleagues on site. You support the setting up of results-oriented concepts and solutions in challenging consultancy projects and help out during their implementation. You will gain a deeper understanding of company correlations and of how to improve them. You can contribute in a wide variety of projects - ranging from restructuring, turnaround to excellence projects. You will definitely be facing challenging and exciting projects tasks!

Your Profile

- Honor degree in economics, business administration, or the like
- Existing experience/ internships in consulting, auditing or industry
- Strong analytical, conceptual and numerical skillset – finance-savvy!
- Personal initiative, work commitment, flexibility and readiness to travel
- Excellent language skills (GER, EN) and sound knowledge of MS Office

Our Proposition

- Permanent position in a top management consultancy
- Challenging restructuring and consulting projects on site
- Top management consulting in renowned industrial companies
- Steep career opportunities with fast assumption of responsibilities
- Personal development promoted through mentors and trainings
