

Intern Management Consultants (m/w) Focus on Restructuring

MERITUS Business Advisors GmbH – Stuttgart

MERITUS is a top management consultancy specialized in corporate restructuring and profit improvement. We improve the profit situation of our clients – ranging from solid companies seeking higher rates of return, as far as restructuring cases facing serious liquidity problems. We work closely together with the management, shareholders and participating banks to set up thorough business models and fluent processes in order to improve crucial profit and loss positions as well as balance sheet items.

Field of Work

As an Intern Management Consultant, you are part of a highly motivated project team and are able to work together with experienced colleagues on customer sites. You support the setting up of results-oriented concepts and solutions in challenging consultancy projects and help out during their implementation. You will gain a deeper understanding of company correlations and of how to improve them. You can contribute in a wide variety of projects - ranging from restructuring, turnaround to excellence projects. You will definitely be facing challenging and exciting projects tasks!

Your Profile

- Student of economics, law, industrial engineering or the like
- Successfully completed undergraduate degree (or min. 3 semesters)
- Personal initiative, work commitment and analytical skillset
- Existing experience/ internships in consulting, auditing or industry
- Excellent language skills (GER, EN) and sound knowledge of MS Office

Our Proposition

- Internship for at least 2-month in a top management consultancy
- Involvement in restructuring and consulting projects on site
- Preparation of business and industrial analyses
- Collaboration with seniors – learning from the best
- Possibility to continue working as a student trainee (20 hrs/ week)

Interested?

We are looking forward to receiving your detailed application!
