

Junior Management Consultant (m/w/d) Focus on Restructuring

MERITUS Business Advisors GmbH – Stuttgart

MERITUS is a top management consultancy specialized in corporate restructuring and profit improvement. We improve the profit situation of our clients – ranging from solid companies seeking higher rates of return, as far as restructuring cases facing serious liquidity problems. We work closely together with the management, shareholders and participating banks to set up thorough business models and fluent processes in order to improve crucial profit and loss positions as well as balance sheet items.

Field of Work

As a Junior Management Consultant, you are part of a highly motivated project team and will quickly work with experienced colleagues on site. You will support results-oriented concepts and solutions in demanding consulting projects and contribute to their implementation. You will learn to understand and operationally improve holistic corporate concepts. Your skills are used in restructuring reports, turnaround mandates and excellence projects. Look forward to challenging tasks and diverse projects!

Your Profile

- Successful graduation of Economics, or similar
- Practical experience in consulting, auditing or industry
- Analytical and numeric skills; financial understanding
- Self-initiative, willingness to perform, flexibility and travel willingness
- Excellent language skills (G, E) and competent handling of MS Office

Our Proposition

- Permanent full-time position in a Top Management Consultancy
- Challenging restructuring/consulting projects at the customer
- Top Management Consulting in renowned industrial companies
- Steep career paths with rapid assumption of responsibility
- Personal development promoted by mentors and trainings
