

Intern Management Consultant (m/w/d) Focus on Restructuring

MERITUS Business Advisors GmbH – Stuttgart

MERITUS is a top management consultancy specialized in corporate restructuring and profit improvement. We improve the profit situation of our clients – ranging from solid companies seeking higher rates of return, as far as restructuring cases facing serious liquidity problems. We work closely together with the management, shareholders and participating banks to set up thorough business models and fluent processes in order to improve crucial profit and loss positions as well as balance sheet items.

Field of Work

As an Intern Management Consultant, you are part of a highly motivated project team and will quickly work with experienced colleagues on site. You will support result-oriented concepts and solutions in demanding consulting projects and contribute to their implementation. You will learn to understand and operationally improve holistic corporate concepts. Your skills are used in restructuring reports, turnaround mandates and excellence projects. Look forward to challenging tasks and diverse projects!

Your Profile

- Student of Business Administration, Jura, Industrial Engineering, or similar
- Successfully completed basic studies (or at least 3 Semester)
- Self-initiative, willingness to perform, analytical thinking
- Practical experience in consulting, auditing or industry
- Excellent language skills (G, E) and competent handling of MS Office

Our Proposition

- Internship for at least 2 months in a Top Management Consultancy
- Function in restructuring/consulting projects at customers' sites
- Development of company and industrial analyses
- Cooperation with Seniors – Learning from the best
- Possible continued employment as student trainee (20 hrs / week)
