

Principal Consultant (m/w/d) Focus on Restructuring

MERITUS Business Advisors GmbH – Stuttgart

MERITUS is a top management consultancy specialized in corporate restructuring and profit improvement. We improve the profit situation of our clients – ranging from solid companies seeking higher rates of return, as far as restructuring cases facing serious liquidity problems. We work closely together with the management, shareholders and participating banks to set up thorough business models and fluent processes in order to improve crucial profit and loss positions as well as balance sheet items.

Field of Work

As a Principal, you will carry out and lead customer-specific projects. The focus of your activity is setting up and implementing turnaround concepts and improvement plans. You will evaluate the existing situation at our clients, derive recommendations for action and set up an integrated business planning (P&L, balance sheet, liquidity), that you will implement subsequently. In addition to working as a consultant or in some cases as Interim Manager, you are asked to make valuable contributions to the continuous development of MERITUS Business Advisors. If appropriate, your will be given the opportunity to gain an entrepreneurial stake in the company in the future.

Your Profile

- Highest Degree in economics, business, engineering or similar
- 5-7 years relevant working experience in a renowned consultancy/ auditing
- Verifiable successfully conducted projects with a financial background
- Highly motivated and goal-oriented work attitude with willingness to travel
- Pronounced communication, presentation as well as leadership skills

Our Proposition

- Top Management Consultancy with impressive track record
- Divers and challenging restructuring and consulting projects
- Extensive network and deployment in renowned industrial companies
- Real entrepreneurship with exciting career opportunities
- Attractive compensation and possible entrepreneurial stakes in the future
